

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Norman Soloway on 1/27/10.

The application has been amended as follows:

Cancelled claims 20-59, 78 and 87.

Claim 60, last two lines – deleted the phrase ", wherein the first portion is adapted to extend through the opening in the chamber wall".

Claim 79, lines 17-18 – changed the phrase "a coupling device adapted to secure the first portion to the second portion, wherein" to --a coupling device adapted to secure the first portion to the second portion, wherein the coupling device comprises complementary screw threaded regions on the first and second portions such that the two portions screw together, clamping the chamber wall(s) between the first and second flanges, wherein--.
